

A STEP ABOVE RESALE SHOP: CONSIGN AND DONATE TO SUPPORT LOCAL WORKING FAMILIES

Fort Myers, FL – March 1, 2024 – HOPE Community Outreach is excited to announce the opening of A Step Above Resale Shop, a new venture dedicated to supporting local working families in southwest Florida who are struggling to make ends meet. The shop offers a unique opportunity for community members to consign and donate items, directly contributing to the programs and services provided by HOPE Community Outreach.

Located in the heart of Fort Myers, A Step Above Resale Shop accepts a wide range of gently used items, including clothing, furniture, household goods, and more. The proceeds from sales at the shop will fund critical resources and support services for families in need, including emergency financial assistance, food distribution, and educational programs.

“We are thrilled to launch A Step Above Resale Shop, which will play a vital role in sustaining our mission to assist working families facing financial challenges,” said Jeannie Gawronski, Executive Director of HOPE Community Outreach. “Every donation and consignment help us provide the necessary support to ensure that families in our community can thrive.”

By choosing to consign or donate items at A Step Above Resale Shop, community members not only declutter their homes but also make a meaningful impact on the lives of their neighbors. Consignors will receive a percentage of the sale price, with the remainder benefiting HOPE Community Outreach.

HOPE Community Outreach has been a cornerstone of support for local families, offering a variety of services designed to alleviate financial stress and promote self-sufficiency. The organization’s programs are funded entirely through donations, grants, and initiatives like A Step Above Resale Shop.
